

# POTENTIAL FRANCHISEE QUESTIONNAIRE

## NOTE

NOTE: The minimum investment to open a Planet Grilled Cheese franchise is \$200 000. The total investment will mostly depend on the state and city where you would like to open your franchised restaurant and the location by itself.

We currently do NOT offer financing and we require our franchisee to be in possession of the funds necessary to open their franchised restaurant.

Previous experience in the restaurant industry, business or management is not required but it is a considerable plus.

Please, read and answer the following questions carefully. The purpose of this questionnaire is to determine your financial viability and find the opportunity that would fit your budget, your profile and business experience.
